ASSAULTED BY A NEGRO.

Florence V. Harvey, 18 years old, of Glendsle, Md., was the victim of a brutal assault yesterday evening while she was walking on the Landover (Md)

Lest night the Washington police took in custody Walter Ford, 26 years old, a negro, who, it is said, admits that be attacked the girl. The Washington police are guarding Ford to protect him from the tury of more than 100 residents of Prince George's county, who sarted toward Washington bent on resking summary vengeance upon the bleck ruffian.

Ford declares that his motive was not criminal assault, but robbery. The circumstances in the case, however, isprove the negro's assertion.

disprove the negro's assertion.

Miss Harvey was visiting her sister in Landover yesterday evening and had been to the postoffice. She was returning along a lonely road when the negro accosted her. She endeavored to eecsps, but he caught her. The girl resisted, and in the stroggle she caught one of the negro's hands and, fighting literally with tooth and nail, wounded him. The negro selzed her, wounded him. The negro seized her, threw her to the ground and rained blow after blow with his firt upon her face. It is alleged that he was tearing her clothes from her body when two young white men, hearing her cries, came to her resour. The negro was too quick for them, however. He atose and can off toward Washington.

About 7.30 o'clock the supposed as sailant was cornered by some track walk-ers as he was walking toward Washington alone the line of the Pennsylvania passenger tracks between the Eastern Branch and the Bladensburg road. He was later turned over to Washington

The negrossid he lived in Washington and declared that he believed the girl was carrying money in her hand, and that he had no intention of making a crimical assault.

The young woman identified him posiively as the man who had assaulted her. The Washington police deeming it best that Ford should be held in that city, for lear of lynching, the request of the Maryland authorities for the return of the assailant last night was denied He will be given a hearing today when extradition papers from he Governor will be brought to Washington.

The American Association disposed of the sensational charges made Thursday night by Mrs. Oaroline Bartlett Crane, of Kalamezoo, Mich., regarding the government system of meat inspection, by adopting unanimously and without uebate a resolution practically declaring that the charges have not been sustained.

FAMILY LOST IN DESERT. A dispatch from San Bernardino,

Oal., says: T. H. Kellogg, a rancher, while riding across the Mejave Desert, in the Carisho Creek country, Thursday, came across the tracks of two teams The wandering trails indicated to his experienced eye that the drivers of the teams either were lost or did not have control of mind left. He followed the trails for some distance and finally camupon a camp wagon and a buggy and farther sway a horse dying of thirst Following the trail further he discovered the tracks of a man and woman and three children. Uneven at times, retreating and wavering in purpose, sa way to turn, the footprints on the sand old of the search for water sgainst s desperately growing need. Sometimes the trail of one or the other children disappeared, indicating that the father or the mother had expended a last drop of energy in carrying their dying little ones. The trail followed the bed of a dry creek for many miles and then led off to that country from which few travelers return. Who the lost ones are
